Here is the flow chart for processing transfers involved with WB leases. If the intent is to use the water where transferred it will need to be released from the bank. The form is on the internet.

Thanks Bill. The rental is for 12.2 acres to Lance Funk (my client). The total lease is for 27.8 acres. The unrented portion (15.6 acres) will be transferred to the Jeremy Smith property with the approval of Transfer 78405. The rental to Lance Funk should not affect Transfer 78405.

Allen,

We're about to approve a 2013 rental that include the leased portion of Right 36-2668. Right 36-2668 is included in Transfer 78405 (Baker). The lease expires on 12/31/2015.

Just wanted to give you a heads up so you can apply the new policy and make sure we don't approve the transfer without accounting for the rental.

Thanks.

Shelley
