Re: Water Right No. 74-722

Ladies and Gentlemen:

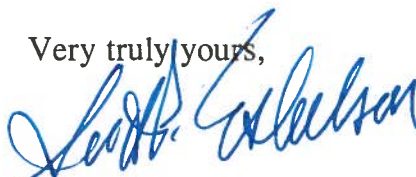

Our office represents Eagle Valley Ranch, LLC. My clients recently acquired a parcel of property owned by Jim Parks. The above referenced water right is associated with this property. This was a straight forward cash transaction. There is no division of the water right, and this transfers as part of this transaction.

Enclosed please find the following documents:

1. Notice of Change in Water Right Ownership form.
2. Our check in the amount of \$25.00 for the necessary filing fee.
3. Copy of the recorded warranty deed transferring the property.
4. A copy of the printed map using the "create a map" tool as suggested in the instructions for the change of ownership form.

We will appreciate it if you will process this transfer in your records as soon as possible. Thank you for your assistance. Please contact me with any questions.

Very truly yours,

Scott P. Eskelson
