Twin Falls, ID 83301

Attention:
Allen Merritt
Southern Region Manager

I am withdrawing my protest, but I want to make a statement that this transfer is still an expansion of use for the water right. The two areas that have been "set aside" have never been farmed. They are tokens to make what Brent Funk's use of water look legitimate.

In the future when there will be more decision's to be made about water for the Rock Creek area this should come into discussion.
