RE: APPLICATION TO LEASE WATER RIGHT 37-8499 TO THE WATER SUPPLY BANK

Dear Lessor:

The Department of Water Resources has completed its review of your application to lease the above-mentioned water right to the Water Supply Bank. **I have enclosed two copies of a Water Supply Bank Lease Contract for your review and signature.** Please sign and return **BOTH** Lease Contracts. Upon signature and return of the contracts, the Department will also sign the original contracts and return an executed copy to you. The Lease Contract is not considered final until you and the Department have both signed.

The rights will automatically be released from the Bank on **December 31, 2014**, unless the rights are released earlier by the Board, or upon your request. To change the term of the lease or to release the rights from the Bank, you must submit a request in writing, along with all applicable fees, to the Department prior to the release date. Please note your rights may not be available for immediate release if they have been rented to someone else.

Please review the conditions of acceptance listed on the Lease Contract, including #3 which says:

"While a right is in the bank, **the lessor may not use the right** without approval of the department even if the right is not rented from the bank. Any violation of the terms of this lease may result in enforcement procedures pursuant to Idaho Code § 42-351 for illegal diversion and use of water and may include civil penalties pursuant to Idaho Code § 42-1701B."

Enclosed you will also find an Internal Revenue Service (IRS) W-9 form. The Department needs this form on file in the event your water right is rented from the bank and payment needs to be made to you. Please fill out the form and return it with your signed leases.

Contact me at (208) 287-4951 if you have any questions.

Sincerely,

for 
Pamela S. Skaggs
Water Rights Supervisor
