Sandy,

I have no comment on this, but I am copying the Wood River Valley Irrigation District where this water is delivered. They may have comment.

**Importance:** High

Hi Kevin,

I was wondering if you had any comments, concerns or remarks to make in reference to the following water rights for Mark and Katja Casson:

37-21668

37-21677

37-21686

37-21695

37-21704

37-21713

Copies of their lease applications are attached. Once the review has been completed, these leases would be accepted into the bank:

4/29/ 2013 – 12/31/2013

1/1/2014 – 12/31/2014

1/1/2015 – 12/31/2015

1/1/2016 – 12/31/2016

1/1/2017 – 12/31/2017

If accepted into the bank, there will only be a maximum of 5 irrigation years (not until 4/15/2018 as they are showing on their applications E (1), on page 2.
