RE: Change in Ownership Water Right No. 29-2224D

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Water Right Ownership:** copy of Deed, Title Policy or other legal document indicating your ownership of the property and/or water rights in question. The current owner of the water right listed above is Emma Bullock Worth. In order for the department to complete your Notice of Change in water right ownership a full chain of title will be required back to the current owner of the water right in question. You can get a copy of all the deeds from the county.

During our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water right(s) indicated in your notice. I have enclosed a copy of the water right(s) for your reference.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
