Chuck,

Yesterday afternoon I did receive the additional fees needed, \$642.60 from Lance Funk. I was unaware Greg had requested Lance send in the fees. Greg also asked Lance and the Windburgs to sign and send in an amended contract to include rights 35-13578 and 35-13588 (second item on the email I sent yesterday). That did not come in and is still needed to get the rental contracts out. Thanks.
