RE: Change of Ownership Water Right No. 98-2042

Dear Property Owner:

The Department of Water Resources acknowledges receipt of your request for a Change in Water Right Ownership. However, additional information is needed before we can process this request.

The warranty deed you provided would give you 3.7 acres of irrigation use in the SWSW quarter of Township 61N, Range 01E, Section 32. This is a total diversion rate of 0.07 cfs. On the Notice of Change in Water Right Ownership form, you requested 8 acres in the SWSE. If you have additional deeds that we should take into consideration, please send them to IDWR. You may fax them to: (208) 287-6700 Attn: Jean or email to: jean.hersley@idwr.idaho.gov.

We have enclosed a map with the water right outlined in blue and marked the property your deed includes. Also marked, is the exception listed on the warranty deed.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will process your request with the information available to us.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage on the Internet to obtain the proper forms and instructions.

Please feel free to contact this office if you have any questions.

Sincerely,

Jean Hersley

Technical Records Specialist
