EXTENSION DEFICIENCY LETTER

RE: Permit Nos. 65-23128 & 65-23158

Dear Permit Holder(s):

The Department acknowledges receipt of one Request for Extension of Time form, and a \$50.00 filing fee requesting an extension of time to appropriate water under the above referenced permits. The Department requires a separate Request for Extension of Time form for each permit, and a \$50.00 filing fee per permit.

If your intent is to file a Request for Extension of Time for both permits, please fill out another Request for Extension of Time form and submit the \$50.00 filing fee that is required for the other permit.

Enclosed is a Request for Extension of Time form for your use. Upon receipt of a completed extension request form and filing fee for the other permit, the Department will be able to process both of your extension requests.

If you have any questions, please feel free to contact me at 208-287-4945.

Sincerely,

A handwritten signature in black ink that reads "Darla Block".
