RE: Place of use for Water Right Permit No. 67-15056

Dear Permit Holder:

The Idaho Department of Water Resources is in the process of reviewing your permit for licensing. However, IDWR needs clarification of the place of use for the stock water right.

I have enclosed a map of the area with your property in yellow. Please mark where the stock water right is being used. The permit was issued for Township 17N, Range 01W, Section 27 SWSE. The property owner for this location is Crystal White. Your property is located in Township 17N, Range 01W, Section 27, SESE and Section 34, NENE.

Please return the map within 30 days so we can continue processing your license. If you have any questions, call me at (208) 287-4942. Thank you.

Sincerely,
