**RE: IRRIGATION DISTRICT REQUIREMENT FOR APPLICATION TO
LEASE WATER RIGHTS TO THE WATER SUPPLY BANK
37-21506, 37-21518, 37-21529, 37-21540, 37-21551 & 37-21562**

Dear Brad & Lorie Armstrong:

The Department of Water Resources ("department") acknowledges receipt of your Application to Lease water rights to the Water Supply Bank ("bank"). A receipt for \$500.00 application fee is enclosed. A preliminary review of your application has found required information was not been included with the application.

Question B.2. on the bank lease application asks, "Is the diversion works or system owned or managed by an Irrigation District or water delivery company?" You have checked "No", but all the surface water rights (37-21518, 37-21529, 37-21540, 37-21551 & 37-21562) are described as being delivered through Irrigation District #45 Canal. I have enclosed a layout for illustration.

Idaho Administrative Code IDAPA 37-02.03.025 Acquisition of Water Rights for the Board's Water Supply Bank at <http://adminrules.idaho.gov/rules/current/37/0203.pdf> requires the written consent of an irrigation company be submitted with the application for lease. Please contact Irrigation District #45 for consent and submit it to the department to complete your application.

The application will be returned, unprocessed, if the consent is not received within thirty (30) days from the date of this letter. If you have questions regarding this matter, please contact me at 287-4951.

Sincerely,

Pamela S. Skaggs
Water Rights Supervisor

Enclosure: Receipt # C096862
