1. Any award of damages in connection with any taking or condemnation or injury to the Property by reason of public use, or for damages resulting from private trespass or injury to the Property, is absolutely and unconditionally assigned and shall be paid to Mortgagee, under the terms and conditions of this Mortgage pertaining to Rents. Upon receipt of such money Mortgagee may apply the same on the indebtedness secured hereby. Mortgagor agrees to execute such further documents as may be required to effect the assignments herein made as Mortgagee may require.
2. At any time, without affecting the liability of any person for the payment of the indebtedness secured hereby, and without otherwise affecting the security hereof, Mortgagee may (a) consent to or join in the making of any map or plat of the Property; (b) grant any easement or create any restriction thereof; (c) subordinate this Mortgage; (d) extend or modify the term of the loan or loans secured hereby; and (e) release without warranty, all or any part of the Property.
3. Prior to any default by Mortgagor in the payment, observance, performance and discharge of any condition, obligation, covenant, or agreement of Mortgagor contained herein, Mortgagor may, for collection and distribution purposes only, collect and receive the Rents as they come due and payable; the Rents are to be applied by Mortgagor to the payment of the principal and interest and all other sums due or payable on any promissory note or guaranty secured by this Mortgage and to the payment of all other sums payable under this Mortgage and, thereafter, so long as the aforesaid has occurred, the balance shall be distributed to the account of Mortgagor. Upon any such default, Mortgagee may at any time without notice, either in person, by agent, or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of the Property or any part thereof, in his own name, sue for or otherwise collect such rents, issues and profits, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as Mortgagee may determine; also perform such acts of repair, cultivation, irrigation or protection, as may be necessary or proper to conserve the value of the Property; also lease the same or any part thereof for such rental, term, and upon such conditions as its judgment may dictate; also prepare for harvest, remove, and sell any crops that may be growing upon the Property, and apply the proceeds thereof upon the indebtedness secured hereby.

4. The entering upon and taking possession of the Property, the collection of such rents, issues, and profits, or the proceeds of fire and other insurance policies, or compensation or awards for any taking of or damage to the Property, and the application or release thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.
5. Upon default by Mortgagor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, all sums secured hereby shall immediately become due and payable at the option of the Mortgagee and in accordance with applicable state law. In the event of default, Mortgagee may employ counsel to enforce payment of the obligations secured hereby, may foreclose and, if applicable, sell the Property by advertisement and sale, and in accordance with other applicable state law, and may exercise such other rights and remedies granted by law and equity, which rights and remedies shall be cumulative and not exclusive. Mortgagee may resort to and realize upon the security hereunder and any other real or personal property security now or hereafter held by Mortgagee for the obligations secured hereby in such order and manner as Mortgagee may, in its sole discretion, determine. Resort to any or all such security may be taken concurrently or successively and in one or several consolidated or independent judicial actions or lawful nonjudicial proceedings, or both. If the obligation secured by this Mortgage is also secured by personal property, fixtures or crops, Mortgagee may enforce its security interest in the personal property, fixtures and crops and its lien under this Mortgage in any manner and in any order or sequence permitted by applicable law. All remedies are cumulative and none are exclusive; no election by Mortgagee to pursue one remedy or item of collateral shall be deemed to be a release or waiver of any other item of collateral or a release or modification of the liability of Mortgagor or any guarantor to pay and perform in full all obligations to Mortgagee. The procedures governing the enforcement by Mortgagee of its foreclosure and provisional remedies against Mortgagor shall be governed by the laws of the state in which the Property is located. Nothing contained herein shall be construed to provide that the substantive law of the state in which the Property is located shall apply to Mortgagee's rights and Mortgagor's obligations hereunder or under the promissory note(s) or guaranties described herein, which are and shall continue to be governed by the substantive law of the state in which the promissory note(s) or guaranties were executed.
6. The failure on the part of the Mortgagee to promptly enforce any right hereunder shall not operate as a waiver of such right and the waiver by Mortgagee of any default shall not constitute a waiver of any other subsequent defaults. Subsequent acceptance of any payment by the holder hereof shall not be deemed a waiver of any default by Mortgagor, or of Mortgagee's rights hereunder as the result of any sale, agreement to sell, conveyance, or alienation, regardless of holder's knowledge of such default, sale, agreement to sell, conveyance, or alienation at the time of acceptance of such payment.
7. This Mortgage applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Mortgagee shall mean the holder and owner of any note secured hereby; or, if the note has been pledged, the pledgee thereof. In this Mortgage, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural. All obligations of Mortgagor hereunder are joint and several.
8. In the event the herein-described Property, or any part thereof, or any interest therein, is sold, agreed to be sold, conveyed, alienated or transferred, including any water transfer as defined in subsection (a) below, by Mortgagor, or by operation of law or otherwise, except by inheritance, without Mortgagee's prior written consent, all obligations secured hereby, irrespective of the maturity dates, at the option of the holder hereof, and without demand or notice, shall immediately become due and payable. Failure to exercise such option shall not constitute a waiver of the right to exercise this option in the event of subsequent sale, agreement to sell, conveyance or alienation.
  - a. A water transfer is any transfer, assignment, sale, exchange, gift, encumbrance, pledge, hypothecation, alienation, grant of option to purchase, or other disposition of, directly, indirectly or in trust, voluntarily or involuntarily, by operation of law or otherwise, or the entry into a binding agreement to do any of the foregoing with respect to all or any part of (i) the groundwater on, under, pumped from or otherwise available to the Property, (ii) Mortgagor's right to remove and extract any such groundwater including any permits, rights or licenses granted by any

governmental authority or agency and any rights granted or created by any easement, covenant, agreement or contract with any person or entity, (iii) any rights to which the Property is entitled with respect to surface water, whether such right is appropriative, riparian, prescriptive or otherwise and whether or not pursuant to permit or other governmental authorization, or the right to store any such water, (iv) any water, water right, water allocation, distribution right, delivery right, water storage right, water allocation, or other water-related entitlement appurtenant or otherwise applicable to the Property by virtue of the Property's being situated within the boundaries of any district, agency, or other governmental entity or within the boundaries of any private water company, mutual water company, or other non-governmental entity, or (v) any shares (or any rights under such shares) of any private water company, mutual water company, or other non-governmental entity pursuant to which Mortgagor or the Property may receive any rights.

9. In the event any one or more of the provisions contained in this Mortgage or in any promissory note(s) hereby secured shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provision of this Mortgage or said promissory note(s), but this Mortgage and said promissory note(s) shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein or therein.
10. **FARM SERVICE AGENCY GUARANTY:** Borrower further agrees that the loan(s) secured by this instrument will be in default should any loan proceeds be used for a purpose that will contribute to the excessive erosion of highly erodible land or to the conversion of wetland to produce or to make possible the production of an agricultural commodity, as further explained in 7 CFR Part 1940, Subpart G, Exhibit M.
