**RE: AMENDED RELEASE DATE OF LEASED PORTIONS OF WATER RIGHTS
36-2467 & 36-2668 FROM THE WATER SUPPLY BANK**

Dear Lessor:

As requested on the Request to Release a Water Right From the Bank form received by the Department of Water Resources on June 4, 2013, the leased portions of water rights 36-2467 and 36-2668 as described on the enclosed amended lease summary page will be released from the Water Supply Bank as of **December 31, 2013**. There are existing rental agreements related to these rights for the 2013 season. The term of lease has been modified to reflect this **amended release date** in our database and water right file.

The five (5) year period of nonuse related to forfeiture of a water right shall begin to accrue upon release of the right from the bank or shall continue to accrue if a period of nonuse occurred prior to the lease date of the right to the bank.

Contact me at 208-287-4951 if you have questions.

Sincerely,

Pamela S. Skaggs
Water Rights Supervisor
