RE: APPLICATION TO AMEND LEASE AGREEMENT AND RENT WATER FROM THE WATER SUPPLY
BANK: WATER RIGHT NO. 51-4037

Dear Lessor/Renter:

The Department of Water Resources ("Department") acknowledges receipt of your correspondence to amend your current lease agreement and your application to rent water from the Water Supply Bank ("Bank"). The Department has approved your amendment request in accordance with your request. The amended agreement is enclosed for your reference. Please review the amended lease agreement. If you do not agree with the conditions of the Lease Acceptance and would like to withdraw your water right from the Bank, you must contact the Department within thirty (30) days of receipt of this notification. The right will automatically be released from the bank on December 31, 2017.

In addition, you will find a Water Supply Bank Rental Agreement for your review and signature. Upon signature and return of the original agreement, the Department will also sign the original agreement and return an executed copy to you. Execution of the agreement and compliance with the conditions of approval authorize diversion and use of water as provided in the agreement.

A rental fee of \$8.50 per year was calculated based on the current rental rate of \$17.00 per acre-foot times a diversion volume of 0.5 acre-feet. Since you are the lessor and the renter, you only need pay a 10% administrative fee of \$0.85. Your payment has been received and a receipt, #C097398, can be found in this package. In addition, a refund of \$0.15 is attached to the receipt.

Please return the signed rental agreement to my attention within 14 days so I can complete the processing.

If you have any questions, please contact me at (208) 287-4944.

Sincerely,

Cherie Palmer, Sr. Water Resource Agent
