RE: Notice of Change in Water Right Ownership No(s). 55-2056

Dear Interested Party(s):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Additional Information is needed before the Department can process this request.

A Co-Personal Representative's Deed was included with the paperwork which indicates Debra Urizar and Corey Larsen are co-person representatives of the estate of Robert J. Larsen. The paperwork that names Debra and Corey as representatives of the estate is needed also.

Also, during our review of the documentation you submitted we found some discrepancies between that documentation and the legal description of the place of use for the water right(s) indicated in your notice. I have enclosed a copy of the water right(s) for your reference. The legal description on the deed you submitted does not include any of the land of the place of use of Water Right 55-2056. If you have additional documentation, please submit it to the Department.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jean Hersley'.
