**RE: RELEASE OF A PORTION OF LEASED WATER RIGHT NO. 45-13904 FROM
THE WATER SUPPLY BANK**

Dear Lessor:

On June 21, 2013, the Department of Water Resources received your request to remove a portion of water right number 45-13904 from the Water Supply Bank (Bank). At this time the Department is acknowledging that we have removed 42.0 acres of water right 45-13904 from the Bank.

The following portion of your water right has been rented from the bank through December 31, 2013: 0.83 cfs, 328.4 af, for irrigation of 82.1 acres. This portion of the right cannot be released from the bank until the end of the rental term. Please consider the remainder of the lease of 0.43 cfs, 168.0 af, and 42.0 acres released from the bank as of today.

The five (5) year period of nonuse related to forfeiture of a water right shall begin to accrue upon release of the right from the bank or shall continue to accrue if a period of nonuse occurred prior to the lease date of the right to the bank.

Contact me at 208-287-4944 if you have questions.

Sincerely,

Cherie Palmer, Sr. Water Resource Agent
Water Allocation Bureau
