RE: Notice of Security Interest in a Water Right 29-13898, 29-13896, 29-13895, 29-13897, 29-7534, 29-7083 & 29-12903

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence adding a security interest to the above referenced water right(s) to you. The department has modified its records to reflect the security interest and has enclosed a computer-generated report for your records.

The department cannot add a security interest for water rights 29-13895 & 29-13897, Wade is not the current owner of the water right and the place of use is not covered by legal description attached to the Real Estate Mortgage submitted with your application. You will be entitled to a \$50.00 and should arrive in a couple weeks from the State Office.

Updating the security interest record for a water right does not reconfirm the validity of the right. When processing an security interest notice, the department does not review the history of water use to determine if the right has been deliberately abandoned or forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Jonie Barg
