RE: Ownership Change for WR No. 67-7108

Date: June 18, 2013

.....

A Notice of Change in Water Right Ownership was received by the Department on 10/23/2012.

I spoke with the applicant Boyd Harms several times and made him aware that I would not be able to process the ownership change as an undivided water right without further documentation.

The documentation needed is a deed that grants the Harms the all land / water rights regarding water right no. 67-7108. The deed that was submitted with the ownership change does not cover the land / water located in Township 13N, Range 1W, Section's 28 or 29.

Mr. Harms was also given the option to pay an additional \$75.00 and the ownership change could be processed as a split water right.

Neither has been received by the Department. The ownership change was not completed and was returned to the applicant on 6/18/2013.
