RE: Notice of Ownership Change for Water Right No. 67-11358

Dear Applicants:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. However, the application has not been processed due to insufficient information.

On April 2, 2013, the Department requested that you would need to submit additional documentation to our office by May 2, 2013.

Because the Department has yet to receive the requested information, we are returning the paperwork. I have requested a refund that will be sent to the payer under separate cover.

Should you have questions, please call this office at 208-334-2190.

Sincerely,

A handwritten signature in cursive script that reads "Rachel Sommer". The signature is written in dark ink and is positioned below the word "Sincerely,".
