

MEMORANDUM

Date: June 17, 2013
To: Water Right File 37-8881
From: csaxton
Re: POD combined use limit

Rights 37-2627C, 37-2632, and 37-8854 divert from 3 points of diversion or include a point of diversion that is not used for 37-8881. Therefore, the combine use limit cannot be written to limit all 4 rights to the capacity of the two wells described under 37-8881.
