RE: Ownership of Permit Nos. 67-8011, 67-8012 & 67-15030

Dear Permit Holder(s):

The Department is in receipt of a letter dated June 12, 2013, from Northwest Farm Credit Services, FLCA, stating that they no longer have an interest in the above mentioned permits.

On February 21, 2013, the Department processed an Assignment of Permit for the above referenced water right permits. Because Northwest Farm Credit Services filed or had the permit holder of record file an Assignment of Permit form and pay a \$25.00 fee per permit, the "ownership" of all three permits was assigned to Northwest Farm Credit Services, FLCA, along with Tommy L. Grossen and Norma R. Grossen.

Had Northwest Farm Credit Services, FLCA filed a Notice of Security Interest form back in February of 2013 instead, the Department would simply at this point be able to remove Northwest farm Credit Services, FLCA from our database as no longer having a security interest in the permits, and no more fees would be required.

Because an Assignment of Permit was filed, the Department requires a **\$25.00 filing fee per permit** with an Assignment of Permit form to change the "ownership" of the above referenced water right permits back to Tom L. Grossen and Norma R. Grossen.

Enclosed is an Assignment of Permit form for your use. Upon receipt of the proper form and fees the Department will be able to process your ownership change request.

If you have any questions regarding this matter please contact me at (208) 287-4945

Sincerely,

Darla Block
