Re: information to supplement Notice of Change in Water Right ownership

Dear Sir or Madam,

This letter provides supplementary information for the enclosed Notice of Change of Ownership, and specific terms of division, for an existing water right in Stanley, Idaho.

Existing Water Right #71-4012 is appurtenant to Block 1, lots 1-7, Stanley Government Townsite (Lower Stanley). Water has been used every year per terms of this right; in late 2005, a portion of the property consisting of the Redwood Motel & Cabins (lots 3-7) was sold to Mr. Gregory Hogan of Ketchum, Idaho. Lots 1 and 2 remain in the ownership of original claimant Thomas R. Stuart, for a single family residence. Since the sale of the Redwood Cabins property, water right #71-4012 has been shared continuously in the manner described below.

Division is agreed as follows:

1. For administrative purposes, the water right appurtenant to lots 1-7 will be divided: 1/3 (about .01 cfs) for lots 1&2, and 2/3 (about .02 cfs) for lots 3-7.
2. The two existing points of diversion (one on lots 1-2, another on 3-7) may be used cooperatively by both parties.
3. In rotation, either party may use the entire authorized water volume and flow rate during the period of use.

This agreement is confirmed by signature of both parties.

Gregory A. Hogan
