Subject: RE: Water Supply Bank Lease Extension for Rights 63-5094 & 63-32960

Ronni,

The lease for both 63-5094 & 63-32960 expired 12-31-2012.

We have received an extension request for 63-32960 & the \$250.00 application fee.

We need the extension request for 635094, a \$250.00 application fee (\$500.00 total for both rights) and a map or aerial photograph clearly showing the specific acres proposed to be idled for the duration of the lease. A map was not required when the original lease was approved, so we can rely on the previous documentation.

Thanks for your quick attention to resolving this matter.

Pam,

Questions. On Water Right 63-5094 – can you tell me the lease expiration date? As for the 63-32960 lease extension. You should already have the fee along with the aerial map, is that correct? Just trying to figure out if all you need on this extension is the updated form with W-9. Should I have all documents and \$250.00 filing fee for the 63-5094 extension request delivered directly to you for processing? Thanks in advance for your help.

Ronni

Brian,

I have attached a copy of the Lease Extension Request form you submitted for Right 63-32960 as you requested. The form you submitted is an older version that has been replaced by two separate forms. You will find the updated Lease Extension Request form on our website at <http://www.idwr.idaho.gov/RulesStatutesForms/WaterRights/PDFs/WSB%20Lease%20Term%20Extension%20Form.pdf>. Please complete this form and submit for Right 63-5094.

We will hold your original Lease Extension Request from processing for 14 days to allow submission of the request for the overlapping right and associated \$250.00 fee. Let me know if you have any questions regarding this form or process.
