RE: Ownership Change Water Right No. 96-8392

Dear Interested Parties:

The Idaho Department of Water Resources received a request for a Notice of Change in Water Right Ownership on February 19, 2013. After reviewing the request, it was determined that additional information was needed to complete the request. On February 19, 2013, IDWR sent a letter requesting:

- Evidence of Water Right Ownership: copy of Deed, Title Policy, Contract of Sale or other legal document indicating your ownership of the property and/or water rights in question

As of the date of this letter, this information has not been received.

We are returning the Notice and its attachments. You may file again in the future with all the required information. If you have any questions regarding this matter, please call me at (208) 287-4942.

Sincerely,

Jean Hersley

Subject: Change in Water Right Ownership - #96-08392

Gentlemen:

Enclosed are the following documents and a check in the amount of \$25 for the filing fee for change of ownership:

1. Notice of Change in Water Right Ownership
2. Purchase and Sale Agreement between Greenwood and Carrier

In researching past ownership, I find that no change of ownership has been filed since 1984 when Goldan, Inc. received the Water Right License. The history of ownership as I know it starts with Joe Lapham who sold to Chris New who sold to Paul Greenwood who sold to Robert J. Carrier, current owner. Mr. Carrier purchased Algoma Water on April 1, 2008.

Approval of the sale between Greenwood and Carrier has been approved by the IPUC.

If you require further information please call.

Yours truly,
