RE: Notice of Change in Water Right Ownership No(s). 96-8392

Dear Interested Party(s):

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The purchase and sales agreement were not included as stated in the letter enclosing the request. The information required is:

_____ Evidence of Water Right Ownership: copy of document that conveys ownership of the property or water rights in question

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Thank you for your patience and cooperation. Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
