Jim,

I am sorry, but I have been advised that we need a W-9 from both authorized water right owners. It is preferable that payment goes to both to avoid any future issues. Will you please request that Deborah also submit a W-9?

Pam,

They are husband and wife - I didn't think you needed both SS#'s so I didn't tell Myer that. Can't you get by with just his?!

W-9 Request

Jim,

We received a W-9 for Myer Berlow on 05-09-2013, but have not received one from Deborah Barr.

These folks are the last for our delayed 2012 lessor payments. Any chance you can help us obtain the remaining W-9?

Thanks for your assistance.

Jim,

I contacted your office today to follow-up on a request for a W-9 from your clients in connection with a Water Supply Bank rental of the water rights noted above. We have contacted your clients twice to request the needed form to complete payment for the 2012 season (see attached letter).

We would appreciate any assistance you might provide in accomplishing this financial task of the Water Supply Bank.
