RE: Change of Ownership for Water Right No(s). 29-13890

Dear Water Right Holder(s):

This letter is to inform you of changes to your water right. The changes have been made due to a reevaluation of a Notice of Change in Water Right ownership application previously submitted. The evaluation determined a change was necessary to correct the water right. Please find attached a computer generated report showing all the elements of the water right mentioned above.

Also, please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact Blake Jordan if you have any questions regarding this matter.

Sincerely,

Jonie Barg
Technical Records Specialist
