PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 37-22710

Dear Permit Holder(s):

The department acknowledges receipt of the proof of beneficial use form and a \$50.00 license examination fee submitted for the above referenced permit. A license exam fee is not required for a ground water source with a rate of diversion of 0.04 cfs or less. Therefore, I will initiate the process to refund the license examination fee you submitted. You should receive a State of Idaho check for \$50.00 within ten (10) business days under separate cover for the fee you paid.

The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

If you have any questions concerning the field examination, please contact the Southern Regional Office of the department in Twin Falls, Idaho 208-736-3033.

Sincerely,

Darla Block
