RE: License No. 37-8705

**Issuance of License**

Dear Water Right Holder(s):

The Department of Water Resources has issued the enclosed Water Right License in connection with the Order of Reconsideration issued May 9, 2013. This license supersedes the license document issued April 5, 2013.

The license is a PRELIMINARY ORDER issued by the Department pursuant to section 67-5243, Idaho Code. It can and will become a final order without further action by the Department unless a party petitions for reconsideration or files an exception and/or brief within fourteen (14) days of the service date as described in the enclosed information sheet.

Please note that water right owners are required to report any change of water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage on the Internet to obtain the proper forms and instructions.

If you have any questions, please contact me at 208-287-4916.

Sincerely,

Craig L. Saxton  
Water Rights Supervisor
