I know you asked for unavailable dates but since the entire month of June and most of July are unavailable for one or more of use I thought it would be simpler to let you know that IDFG, IWRB, and I are available July 15, 16 and the morning of the 17th. Let me know if any of those days work for the other parties and the hearing officer – if not we will go back to the drawing table. Our response assumes the pre-hearing conference will be held in Salmon and that conferencing in by phone is not an option. Thanks for giving us a few extra days to get back to you.

I was out of the office in late May and just today received your email regarding the pre-hearing conference in this case. I was recently appointed as the attorney representing IWRB and IDFG in this case and need a couple of days to touch base with my clients and review schedules. Promise I will get back with you in the next couple of days so that there is no further delay. Thank you for your consideration and please give me a call with any concerns.
