Re: Notice of Change in Water Right Ownership and Assignment of Permit;
Ball Real Estate Investments, LLC

Dear Jean:

On behalf of Ball Real Estate Investments, LLC ("BREI"), I am enclosing with this letter for filing with the Department one original executed Notice of Change in Water Right Ownership and one original executed Assignment of Permit. Also enclosed are this firm's checks in the amount of \$175.00 for the Notice, and \$25.00 for the Assignment of Permit.

The enclosed Notice reflects BREI's ownership of decreed water right nos. 63-3066, 63-3067, 63-32846, 63-32848, 63-28226, and 63-28120 and licensed water right no. 63-32850. BREI acquired these rights and the lands upon which they are appurtenant and beneficially used from Landscapes Unlimited, L.L.C ("Landscapes"), and a group of entities referred to herein as "Hopkins." Landscapes and Hopkins had acquired their interests in these lands and water rights through the bankruptcy and/or foreclosure proceedings involving the prior owners, Hunter's Point Golf Community, LLC ("Hunter's Point"), et al. Hunter's Point is the current owner of record listed for these rights according to the Department's internet database. The parcels described in the deeds from Landscapes and Hopkins to BREI are generally depicted on maps included with the Notice.

Page 2

The enclosed Assignment of Permit reflects BREI's ownership of Permit No. 63-32604. Landscapes—who is the current owner of record according to the Department's internet database—acquired the Permit through the same bankruptcy/foreclosure proceedings mentioned above.

None of these water rights should be "split" through the Department's processing of the Notice or Assignment. If you have any questions in this regard, please hold processing and contact me immediately to discuss.

Thank you for your attention to this matter. Please feel free to contact me if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael P. Lawrence", with a long horizontal flourish extending to the right.

Michael P. Lawrence
