Dear Mr. Hemmings -

I have analysed both completed applications for change in water right ownership for 34-2425D and 34-2425 E.

There seems to be a point of diversion discrepancy between the two maps I have (the one you sent me & the one my real estate broker sent me from State of Idaho Dept. Water).

I filled out both maps & setid pts of diversion & places of use according to each map. Please use the one you know to be correct.

Thank you,

Stella Ferguson

*Also, please send all correspondence to my new Idaho address.
