Dear Party Holding Security Interest:

The Department of Water Resources acknowledges receipt of the Notice of Security Interest in a Water Right you recently submitted on the above water rights. The Department has modified its records to reflect the security interest and has enclosed a computer-generated report for your records. For future reference, a claim and recommendation with the same water right number represents different stages of an adjudication filing for the same water right, so only one filing fee is due to add a security interest holder for both records. I have requested a \$50 refund for the extra filing fees paid for 47-7221 and 47-17154.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owners of a water right to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department or on the Department's website.

Please feel free to contact this office with any questions you may have.

Sincerely,
