Re: Change in Water Right Ownership for Water Rights 36-102, 36-116, 36-10290

Dear Mrs. Musser:

I am in receipt of the paperwork you recently submitted requesting changing ownership of the above listed water rights to your trust. Changing ownership of a water right requires that you submit a completed Notice of Change in Water Right Ownership form. I am enclosing the form that should be used. I have also taken the liberty of completing the form so that all you need to do is sign where indicated under item 8.

As you can see on the enclosed form under item 7, a \$25 per water right filing fee is required. Please sign the form where indicated, enclose a check for \$75 and return to me at the above address by May 24, 2013. Once I receive the signed form and filing fee, I will complete the ownership change and send you confirmation that it has been done. Thank you for your prompt attention to this matter and should you have any questions, please do not hesitate to give me a call.

Sincerely,

Trish Fawcett
