Re: Review & Evaluation of Sufficiency of Information

This transfer proposes to change the place of use and add a point of diversion for water rights 17-2028, 17-2030, 17-2045 and 17-7007. The applicants filed this application in response to a pending Notice of Violation issued by IDWR. The applicants propose to rearrange the place of use to cover land being irrigated without a water right. The applicants also seek to add a point of diversion which will be located in the NENE of 15S, 33E Section 8.

Authority to File:

The applicants are the current owners of water rights per IDWR record and owner of proposed place of use per Oneida County taxlot data (updated April, 2012).

Water Right Validity:

Licensed water rights. 2011 aerial photography shows land to be irrigated. Forfeiture is not an issue.

Injury to Other Water Rights:

This transfer was advertised and there are no protests. No injury issues identified.

Enlargement of Use:

No issues identified.

Local Public interest:

No issues identified.

Beneficial Use/Conservation of Water Resources:

No issues identified.

Effect on Economy the Local Area:

No issues identified.

Effect on Agricultural Base of the Local Area:

No issues identified.

Review of the application finds there is no clear inconsistency with criteria set forth in Section 42-222 Idaho Code preventing processing of this application.
