Re: Name Change for Water Right/Permit No(s): 92-10233

Dear Water Right Holder(s):

The Department acknowledges the receipt of correspondence changing the name of the company ownership of the above referenced water right(s) to you. The Department has modified its records to reflect the change in the name and has enclosed a computer-generated report for your records.

Name changes do not require a filing fee. A refund has been requested and you will be receiving a refund of your fee, under separate cover, from the State Auditor's office.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right, to the Department. Notice of the change must be provided to the Department within 120 days of the change. Change reporting forms are available from any office of the Department, or at www.idwr.idaho.gov.

If you have any questions concerning the enclosed information, please feel free to contact this office.

Sincerely,

A handwritten signature in black ink that reads "Jean Hersley".
