RE: WATER SUPPLY BANK LEASE CONTRACT FOR RIGHT 37-2627D

Dear Lessor:

Water Right 37-2627D was leased into the Water Supply Bank on May 28, 2013 in accordance with the executed original Lease Contract enclosed. **A portion of your rights described on the Lease Contract is considered leased into the Bank, and should remain unused, until it is formally released from the Bank.**

This is an amended lease and the right will remain in the bank indefinitely unless the right is released earlier by the Board, or upon your request. To change the term of the lease or to release the rights from the Bank, you must submit a request in writing, along with all applicable fees, to the Department prior to the release date. Please note your rights may not be available for immediate release if they have been rented to someone else.

Please review the conditions of acceptance listed on the Lease Contract, including #3 which says:

"While a right is in the bank, **the lessor may not use the right** without approval of the department even if the right is not rented from the bank. Any violation of the terms of this lease may result in enforcement procedures pursuant to Idaho Code § 42-351 for illegal diversion and use of water and may include civil penalties pursuant to Idaho Code § 42-1701B."

Contact me at (208) 287-4944 if you have any further questions

Sincerely,
