The "Notice of Change in Water Right Ownership" for 75-4107A, 75-14169 and 75-14597 has been returned for the following item(s):

**** Filing Fee: \$25.00 per water right not resulting in a division of the water right or \$100.00 per water right for a water right resulting in a division of the water right.

**** Full Chain of Title for the current owner of the water right to you. Copies of the Deeds can be obtained from the county.

**** Plat of Salmon River Highlands

During our review of the information submitted the department discovered that water right number 75-4107 was disallowed in the Snake River Basin Adjudication. Water right numbers 75-4107A, 75-14169, 75-14597 appear to be appurtenant to the property purchased. Please review the map attached showing the place of use of the water right; submit the appropriate filing fee. If you purchased the entire place of use a \$75.00 filing fee will be required. If you did not purchase the entire place of use of the water right a \$300.00 filing fee will be required. Also please supply a copy of the full chain of title going back to the current owner of the water right according to the department's records. The current owner according to our records is David and Sharon Osgood.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department within 120 days of the change. Failure to do so could result in a \$100 late filing fee. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

If you have any questions please contact Jonie Barg at (208)525-7161.

Please enclose the following items(s) and resubmit the entire packet to our Idaho Falls Office at the address below:
