Department of Water Resources  
Eastern Region

To whom it may concern,

Our Names are Claudia and Walter Surber, 2913 E. Hwy. 36,  
Preston, ID, 83263.

We are putting in a protest against the NOTICE OF PROPOSED CHANGE OF  
WATER RIGHT TRANSFER NO. 78526.

The reason for this protest is, because we are living abroad in Switzerland at  
the moment. We do not know if this ownership split is correct. We do not have  
the resources available here in Switzerland to check on this matter.

We will be flying in on the 31.Mai.2013 and as I have talked to Mr. Cefalo, we  
would like to meet with Mr. Cefalo and all parties involved to discuss this mat-  
ter in Preston ( Mr. Cefalo offered to come down to Preston).

Enclosed you will find the check for \$ 25.00 for the protest fee.

I'm enclosing the Copy of protest for Mr. Gary Spackmann, Director, in a sepa-  
rate envelope, please forward this to him, thank you.

As far as I know, will Mr. Allen and Amy Cain, put in a protest as well. They  
are living in California right now, we all have the irrigation water from the same  
sources, as Robert ( Bob) and Olivia Boyack.

Thank's for your acknowligment.

Sincerely

  
Claudia Surber
