The above-captioned water rights were claimed based on permits prior to the issuance of a license for each water right. On November 3, 2000, *Partial Decrees* were entered for the above-captioned water rights. The Director of the Idaho Department of Water Resources ("Department") subsequently issued a license for each water right, and filed a *Notice of Completed Administrative Proceeding* in the above-captioned subcases informing the Court of the issuance of licenses, as well as *Amended Director's Reports* reflecting the elements of the above-captioned water right claims as licensed.

This Court filed a *Notice of Court's Intent to Issue Amended Partial Decree and Notice of Hearing Thereon*. Said hearing was held on May 21, 2013, and no objections were filed.

Therefore, IT IS ORDERED that the above-captioned water rights be amended as set forth in the attached *Amended Partial Decrees*. The previously issued *Partial Decrees* are superseded thereby.
