RE: Water Right No's: 2-10370

Dear Applicants:

Thank you for submitting the Notice of Change in Water Right Ownership. Our review of your notice indicates that additional documentation is required before we can process the change.

The documentation required is an original signature for all New Owners/Claimants on the Notice of Change in Water Right Ownership. I have enclosed a copy of the submitted notice which needs to be signed, dated, and returned.

Because the Department cannot process this request without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary documentation within 30 days we will return your attachments and your notice will not be processed.

Thank you for your cooperation. If you have any questions, please call this office at (208)334-2190.

Sincerely,

A handwritten signature in cursive script that reads "Rachel Sommer". The signature is written in dark ink and is positioned above the printed name.
