Dear Party holding Security Interest,

Thank you for submitting the Notice of Security Interest in a Water Right. Our review of your notice indicates that additional information is required before we can process the notice.

In order for me to process this notice I will need No. 5 (expiration date of notification period) filled out on the form. I have enclosed the original notice so that it may be completed.

Because the Department cannot process this notice, we will hold any action pending receipt of the requested documentation. If we do not receive the completed notice within 30 days, it will not be processed and will be returned with all attachments.

Please feel free to contact this office at 208-334-2190 if you have any questions regarding this matter.

Sincerely,
