RE: Notice of Security Interest for Water Right No's:

67-10443, 67-10444, 67-10618, 67-10619, 67-10620

Dear Party Holding Security Interest:

The Department of Water Resources acknowledges receipt of correspondence adding security interest of the above referenced water rights to you. The department has modified its records to reflect the change in security interest and has enclosed computer-generated reports for your records.

Please be advised that Water Right No. **67-10443** is not covered by the deeds submitted. Therefore, we did not modify our records and a partial refund of the filing fee for this security interest request has been requested. You will be receiving a refund of this fee, under separate cover, from the State Auditor's office.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing an ownership change notice, the department does not review the history of water use to determine if the right has been forfeited through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Sections 42-222 and 42-223, Idaho Code.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department or online at www.idwr.idaho.gov.

Thank you for your patience and cooperation. Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Rachel Sommer
Administrative Assistant I
