RE: Security Interest Water Right No. 15-7132

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Security Interest.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Security Interest:** The department acknowledges receipt of a Real Estate Mortgage attached to your application. However there are discrepancies between the owner of the water right and place of use of the water right and the business with the Real Estate Mortgage and the property the mortgage is attached to. According to our records the department shows a current owner of the water right being Neil Schoenenberger, the managing member of the Plymouth Peaks Cattle Co LLC (taking out the loan according to the Mortgage) is Scott and Rita Schoenenberger and the property described on the Mortgage is outside the boundary of the place of use of the water right listed above. Please provide additional evidence of ownership for Plymouth Peaks Cattle Co LLC or additional evidence that they have the ability to take out a security interest for the above mentioned water right.

Also note that in order for the department to list Plymouth Peaks Cattle Co as a current owner a Notice of Change in Water Right Ownership along with evidence of ownership and appropriate filing fees will be required. I am sending a copy of the form for your convenience.

Because the Department cannot process the security interest without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
