ACTION OF THE DEPARTMENT OF WATER RESOURCES

I, GARY SPACKMAN, of the Department of Water Resources hereby approve the
above Application for Amendment for Permit No. 13-07481 with the following:

CONDITIONS OF APPROVAL

1. The diversion of water from Deep Creek is under the jurisdiction of Water District 11, Bear River, Watermaster.
2. The issuance of this right does not grant any right-of-way or easement across the land of another.
3. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 11.
4. Prior to diversion of water under this right, the right holder shall provide a means acceptable to the department to measure the amount of water entering the reservoir and the amount of water released from the reservoir.
5. This right when combined with all other rights shall provide no more than 0.02 cfs per acre nor more than 3.5 afa per acre at the field headgate for irrigation of the place of use.
6. This right is limited to the irrigation of acres already authorized under existing rights 13-896B, 13-901, 13-946B, 2289 and 13-2096.
7. Place of use is within the area served by Twin Lakes Canal Company.
8. The boundary encompassing the place of use for this water right is described with a digital boundary as authorized by Idaho law. The data comprising the digital boundary are stored in the electronic document management system of the Department and are incorporated into this approval by this reference. A map depicting the place of use is attached to this approval document to illustrate the place of use described by the digital boundary.

Witness my hand this 6th day of May, 2013.
