RE: Permit No. 79-14202

Dear Permit Holder(s):

The department acknowledges receipt of the request for extension of time form and assignment of permit submitted for the above referenced permit. The department has updated its records to reflect the change in ownership and has enclosed a computer generated report for your reference.

Enclosed is a copy of the approved request for extension of time submitted in connection with the above referenced permit which extends the proof due date to **July 01, 2018**.

Please note that the department granted this extension based on evidence of good cause. It is important that you work diligently toward the completion of these projects during the construction period allowed because the department **will not** grant an additional extension based on good cause, according to Section 42-204(6), Idaho Code.

Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the department. Please contact any office of the department for the proper form to file a change of ownership of a water right and/or a change in the address of the owner. Also forms are contained on the Department website: www.idwr.idaho.gov.

Please feel free to contact the department if you have questions.

Sincerely,

A handwritten signature in black ink that reads 'Darla Block'.
