Department of Water Resources
Eastern Region

Dear Mr. Swank:

RE: Withdrawal of Protest:
Amended Application for Transfer No. 78387 involving water rights 74-00282A, 74-00283A and 74-00284A f/b Eunice Tyler.

By this letter, I state that I have the authority to act on behalf of the United States Department of Interior, Bureau of Land Management (BLM), with myself as its agent, to the matters discussed herein.

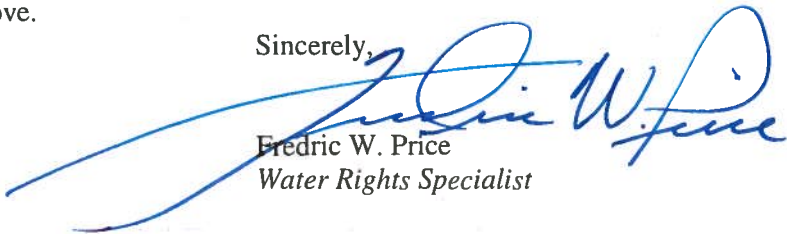

BLM protested the original Application for Transfer No. 78387 because: it included a Place of Use (POU) on BLM land within SENW, S06, T16N, R25E.

IDWR provided an Amended Application for Transfer (received by IDWR on 04/02/13) via letter dated 04/05/2013, which was prepared in response to BLM's protest. The Amended Application for Transfer resolves BLM's protest by: (1) not including the trespass POU on BLM in this Amended Application for Transfer and (2) reconfiguring the acres claimed in each POU to more accurately represent the total acres irrigated.

I hereby withdraw BLM's protest based on the Amended Application for Transfer filed on 04/02/2013, so that IDWR can continue processing the transfer.

If there are questions regarding any statements above, please do not hesitate to contact me at (208) 373-3831 or at the address provided above.

Sincerely,

Fredric W. Price
Water Rights Specialist
