Re: Permit No. 57-11618 in the name of Marvin and/or Paulette Wallin

Dear Sir or Madam:

Please take notice that this law firm now represents above-referenced permit holder with respect to permit no. 57-11618. Please ensure that future correspondence regarding this permit is with this office.

It is my understanding that IDWR has completed a beneficial use examination for the above-referenced permit. From speaking with my client and their consultant, we believe it is possible that not all developed uses were noted during the beneficial use exam. Therefore, we would ask for an opportunity to meet with you and explain the additional uses prior to the issuance of a license for the water right. Please give me a call upon your receipt of this correspondence so that we can set up such a meeting.

Sincerely,

Charles L. Honsinger
