DEPARTMENTAL MEMO

DATE: November 29, 1994
TO: File # 21-07434
FROM: Don Simpkins
SUBJECT: Beneficial Use Exam

On 9/28/93 at approximately 1700 hours, I contacted the permit applicant, Anthony Scarpelli, at his residence in Island Park. During our conversation regarding Permit # 21-07434, I was advised by Mr. Scarpelli that he had sold the campground where the permit to develop water for commercial and domestic use was approved.

Mr. Scarpelli advised me of the new owner: Ronald Turner, 724 E. San Bernardino Rd., Covina, California 91723. I have attempted to contact Mr. Turner via the telephone companies but have been unable to obtain a phone number. At that time I was not able to obtain a phone number from Fremont county records.

During the fall of 1993 there the campground was closed and did not appear to be in use.

During several trips, 6/22 - 6/24/94 and 8/9 - 8/12/94, to Island Park in 1994, the park was closed and not in use.

Letter of Assignment sent to Anthony Scarpelli on 11/29/94.
