I miss identified "Goose Lake Reservoir Company" as "Goose Lake Reservoir Corporation". Please forgive my mistake. I believe you will find water rights under the Company name. The reservoir is controlled by a dam that your Department inspects every 2 years. Granite Twin Lakes also has a dam you inspect. The address for all 3 entities should be Box 232, New Meadows, Id 83654. The Canal does not have any water rights and I am not sure if you have any regulatory authority over irrigation canals. Nita Branstetters personnel water filings should not be changed. She is retiring after many years as Secretary for these three water corporations and so we need to make the appropriate address changes.

Thank you so much for your prompt reply to my request. If you have any more questions please feel free to contact me by email or by phone number 2083472336. Carter Fritzle? is very familiar with our irrigation system and my be a good source of information.

Subject: Notice received of address change:

Hi,

My name is Darla Block. The Department of Water Resources received an address change request from you on May 04, 2013. It has since been forwarded to me for processing. When I search the Department database records I do not find any water rights listed in the names of Goose Lake Reservoir Corporation or The Goose Creek Canal Company.

I only found one decreed right no. 78-4275 in the name of Granite Twin Lakes Water Users, and the current address on record with the Department for this right is:

C/O Ed Osborn President

4118 Campbell Rd

New Meadows ID 83654

Are you sure you want me to change the Department records for Granite Twin Lakes Water Users to The Nita Branstetter PO Box 175 address?

I found several decreed water rights in the name of "Nita Branstetter Trust" and the current address on record with Department for all these rights is:

Nita Branstetter Trust

Nita Branstetter Trustee

PO Box 175

New Meadows ID 83654

I certainly can see changing the address here based on your email request to do so.

Also, I'm not sure where Goose Creek Reservoir Corporation or The Goose Creek Canal Company comes into play, and am hoping you can shed some light on that for me.

Thank You,

Darla Block
